**Question 54 supplement (addendum)**

Dear USCIS officer,

The following were the circumstances under which my fiance(e) *NAME* and I have met.

I had gone to vacation in July 20## when (*Fiance'sName*) and I were first introduced by a mutual friend. We shared many common interests and hobbies. We felt naturally attracted to each other.

After the first meeting, we decided to spend more time with each other. The following are places and times we spent time as our relationship evolved:

1. XX restaurant for lunch August 20##
2. Hiking at XX park August 20##
3. ..etc...

We continued our relationship with daily phone calls, emails, etc. Until recently we decided to get married.

Sincerely,

---
